## THE VICAR

Dear Friends,

On 6th May His Majesty King Charles III will be crowned alongside Camilla, The Queen Consort, in Westminster Abbey. How can we pray for him, as he approaches this important event? Paul says: 'I urge, then, first of all, that petitions, prayers, intercession and thanksgiving be made for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness.' (1 Timothy 2:1,2).

For God's presence to guide every aspect of King Charles' life as he prepares for his Coronation and future roles. At his Accession, he was proclaimed Defender of the Faith, the Supreme Governor of the Church of England. Charles has talked about 'the Sovereign's particular relationship and responsibility towards the Church of England – the Church in which my own faith is so deeply rooted.'

For God's wisdom as he provides leadership that will honour God and promote the wellbeing of our society. King Solomon prayed for wisdom for himself: 'So give your servant a discerning heart to govern your people and to distinguish between right and wrong.' (1 Kings 3:9).

For God's love to strengthen all relationships within the Royal Family; for reconciliation, understanding, forgiveness and good communication.

For God's purpose to be fulfilled through the work of the King and Queen Consort and their family in the years to come. He has said: 'and whatever may be your background or beliefs, I shall endeavour to serve you with loyalty, respect and love, as I have throughout my life.'

A Prayer for the new King:

Everlasting God, we pray for our new King. Bless his reign and the life of our nation. Help us to work together so that truth and justice, harmony and fairness flourish among us; through Jesus Christ our Lord. Amen.

Your Friend and Vicar - **David**

## WARDENS REPORT

Easter seems a distant memory now, but it was an extremely successful period for Immanuel. Services over the period were; Mothering Sunday including distribution of daffodils (thank you to Marje for putting these together); The Palm Sunday procession and Café church which was enjoyed by all those attending with people especially impressed at the appearance of a donkey (see photos), thank you to all those who made this happen; followed by the Maundy Thursday Passover service and meal (personally I feel this is a gem which parishioners greatly enjoy once they attend) was held with several of our friends from St Francis attending Immanuel for this joint event; Stations of the Cross held at St Francis on Good Friday and finally Easter Sunday church was very well attended for our Easter Eucharist. The Easter cards again were generally well received by the parish.

This year the AGM will be held on Tuesday the 16th of May in the Upper Hall all parishioners are welcome.

Hopefully, we are going to see the warmer drier weather soon and this will allow us to recommence some of the external work required in and around the church. Please, please, please, volunteer to help those who give their time free of charge to save the church money. We have one of if not the most well looked after and best-looking churches in Blackburn with Darwen and we must ensure this continues.

To give people some perspective in 2022 the cost of running Immanuel Church was over £65,000 whilst the income from giving, fundraising and claiming back tax from Gift Aid amounted to just over £41,000 which is a deficit of £24,000!!! Without the income we receive from the hall Immanuel would not survive for long. Please sign up to both standing order monthly payment and Gift Aid if you are not already doing so. The church costs money all the time not just on the particular Sunday someone attends.

The proposed Narthex (paid for by an extremely generous legacy) at the rear of the church is progressing with the agreed design having been submitted for a faculty to the Diocese.

The consultation period with heritage and church building groups finishes on the 1st of May and shortly after the Diocesan Advisory Group will consider the scheme and once agreed we will publish the plans.

There are still a few stragglers from whom I need to collect monthly prize draw subscriptions and would remind people that there are still additional numbers available. **Winners March and April are 146 & 109.**

# KNITTING FOR BABIES IN UKRAINE

At Christmastime I received the following email from Natalia at British Ukrainian Aid and would like to share it with you all, especially to everyone who has donated wool over the past 12 months:

*"On behalf of all British-Ukrainian Aid team I would like to thank you for the beautiful knitted baby clothes and your continued support of Ukraine and its people. Thanks to your support we are able to send regular aid to Ukraine and help those in need of urgent assistance. We are immensely grateful for your kind contribution. Please find attached photos from the Maternity Department at Mykolayiv Children's Hospital receiving your donation earlier this year. We are immensely grateful for your kind contribution!"*

With our best wishes for a Merry Festive Season and a Happy and Peaceful New Year.

Our actual hats being gratefully received by the staff**

# UPDATE

I have finally reached my goal of knitting 500 hats in a year for the newborn babies in Ukrainian maternity hospitals but I also want to express a very heartfelt thank you to Sheila (Haworth) who has joined me on this mission. She has already knitted a further 85 hats to add to the others and continues to knit more. All these hats are already being used by babies in Ukraine maternity hospitals. They are very much needed and appreciated and Sheila and I will continue to knit the hats until we have used all the donated wool.

God bless each and everyone of you for your kindness and help. Thank you so much.

*With grateful thanks from Marje Williams and the newborn babies of Ukraine.*

I recently received an invitation from Natalia and Dr Tetyana at British- Ukrainian Aid to attend "An Evening of Thanks" in London. I was unable to attend but it was so very kind of them to invite me and I'm sure it was such a lovely evening. I would like to pass on their thanks to everyone who has donated wool and for Sheila Haworth who has joined me in knitting hats for the newborns in Ukraine.

# “MEMORIES!”

Memories are made from ... So the line goes from a popular song, as I remember, was sung by Dean Martin 1955. However, memories are strange, as time passes by you embellish some and some lie deep within the grey matter only to be awakened when some event unlocks the ‘pigeon hole’ within the brain. This article was brought about by a sermon in ‘Cafe Church’ when David our vicar asked, had any member of the congregation got an item that was precious and of little intrinsic value. This set my little grey cells turning over. As I think more and more of my memories, more and more events of the past are brought to the fore. As a dreamer and an engineer, I decided to categorise my memories into groups.

***Pleasant memories*** - those evoked by photos and artefacts that we treasure

***Memories that are neutral*** - things that you have learnt and stay with you forever.

***Unpleasant memories*** - ones you wish you could eradicate but return to put shivers up your spine

## ***Modern Memories***

I will start with number one the pleasant memories. When David posed the question, I remembered the nappy safety pin I carry in my wallet. This little piece of bent wire with a safety clasp covering the sharp point

conjures up memories of when our children were very young (nearly 50 years ago) I was changing the ‘Terry Toweling nappy’ - no throw away nappies at this time. With Philip’s little legs wriggling and the nappy folded into a triangle I proceeded to fasten the three peaks together with the infamous safety pin. Wriggling stopped suddenly the smile disappeared and a small spot of blood emerged. I had stuck the point of the safety pin into Philip! The pin is a memory of those early days as parents.

The second keep’s sake is one that reminds me of the past but is also practical. In my teens a friend and I set off on an adventure – a week’s holiday cycling around the Lake District staying in youth Hostels (YHA). Neither of us had ever been out of sight of our parents before and for one week we would be FREE. The second day of our adventure we arrived at Coniston Copper Mines YHA. In those days domestic duties were a must, sneaking away before you had

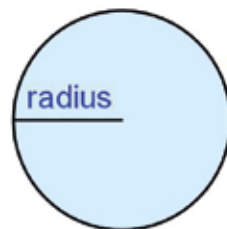

assisted the Warden was not a done thing. David and I did a double duty as a result of some person who had escaped chores. For our willingness to assist, the YHA warden gave us each a fold up can opener. This little piece of bent metal, probably developed during WW2 has come to the rescue on many a family holiday when the caravan we were staying in lacked the vital tin opener.

Of the happy memories group is a string of coloured beads. Each bead is made from hard brightly coloured plastic held on nickel plated brass chain. My sister and I both cut our milk teeth on this teething device and so did our children. And happy memories we have of such times. Sadly, however, devices like these beads would not be permitted today the FPO

(Fun prevention Officer) would declare them a safety hazard as a child might bite through the brass chain with their tiny gums and then choke on the beads whilst we parent are distracted by some form of flashing, squeaking technology. Pleasant memories of a less complicated world.

Now for the next group of memories. Neutral memories for me are those which have been instilled in the mind only to be recalled on demand. For me most are associated with learning. Some people can remember the Ten Commandments, others a piece of poetry others the dates of famous historical events. A few bits of poetry stick in my memory banks 'The lady of Shalott' I have had to look up who wrote the poem and the date. However, it is not the poet nor the poem but the fact that our art teacher required each pupil in the class to paint a scene that the poem conjured in our mind. I did ok and came second to an incredible young artist in our class. Another neutral event was the 'First man on the Moon' The date should be imprinted on my mind but I can't remember, but, I can remember that I stood with friends in the Beechwood Pub to watch the event semi live on 'The Colour TV' all our neighbours had small black and white TV's. For me it will be those mathematical formulae. Pythagoras theorem for right angle triangles and how  $\pi$  (pi) relates to circles, Ohms Law and many others that have no emotional effect but sit there in my memory banks ready for action when called upon

$$\text{Area} = \pi r^2$$

where:  
 $\pi = 3.14$   
 $r = \text{radius}$

Then come the horror memories these are the one that still evoke fear and night mares. When our children were at primary school, the three of us would go on a 'pudding walk' so called as it took place just after Christmas to walk off the over indulgence. This year was to be a trip to the summit of Ingleborough taking in

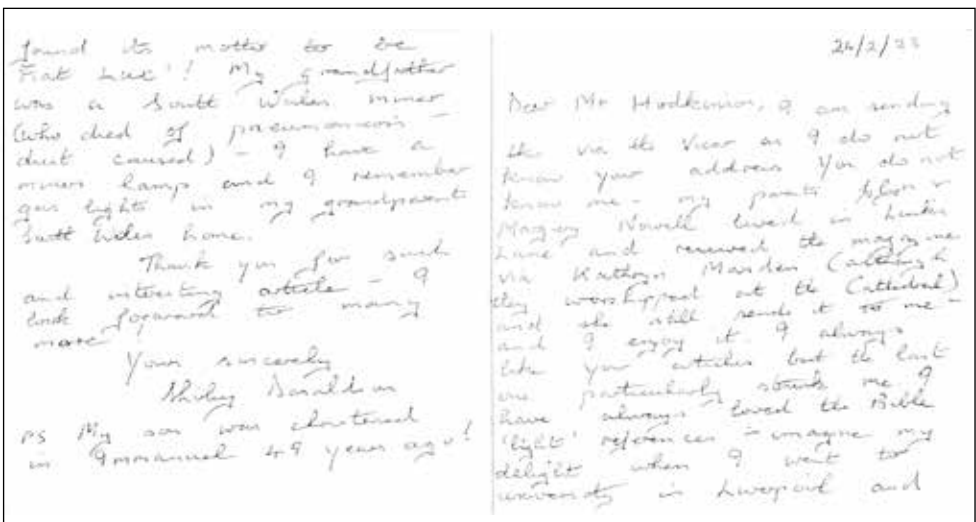

Gaping Gill crater. All was well. Philip and Rachel sat on the turf terrace (still at primary school) whilst I would have a closer look at the 98m (322ft) shaft the entrance to this incredible cave. By now you might have guessed I slipped on a polished section of lime stone and stopped just a metre or so from the edge. I have since descended many times to try

and cast off the memory of what would have happened had I not stopped. I hope none of you who are still reading this have memories like this.

Finally, a modern memory. Last month I received an envelope via our Vicar David. The envelope had travelled from Kilmarnock. The first question was who would write to me from Kilmarnock? The only people we know in Kilmarnock are our Son and Family. Why would they write via David? In the envelope was a card from a Mrs Shirley Donaldson whose son was christened at Immanuel 49 year ago. The kind lady reads the magazine which is posted to her from one of our parishioners. My article on light evoked memories of her past. I will keep this card from Shirley Donaldson in my box of keepsakes and perhaps when I am too dithery to write these article I will remember the kind words written.

At his point I will say - Thanks for putting up with my ramblings.

**Peter Hodkinson**

Here we are again after another busy few months.  
Highlight for the kids, a donkey who joined us for the Palm Sunday Cafe Church...

We also had another gang Show, this time raising funds for Derrain House with Just over £300 raised. Thank you to all who attended.

Speaking of fund raising we had a target of £12,000 to help pay for three of our Scouts to go to the World Scout jamboree in Korea. Well after our Chocolate Bingo night we are nearly there with just a few hundred pounds left to raise.

Again thanks to all who attended and had a fun night. Thanks also to Tesco's, Blackburn Rovers, Morrisons, 3 Bees Brewery and the Shell Garage who supplied prizes.

The troop also visited Barton Airfield as part of their Air Awareness badge. There are a host of light aircraft to look at and the best part of the visit was the swings in the play ground!

And no scout troop would be complete without a camp fire! Yes and it is snow in the background.

And yes we are still looking for more adult volunteers especially as we have open a new Explorer section for our 14 to 18 year old.

## EASTER FLOWERS

Thank you very much to the Ladies who gathered on Good Friday to arrange our Easter flowers. A small but keen and happy group of volunteers came together keen to decorate Immanuel.

We enjoyed our morning, decorating the church with beautiful Lilies, Carnations and Spray Chrysanthemums. These were created by Marge Williams, Mary Griffiths and the writer.

Many thanks to Mike Ivison and David, our Vicar, for allowing us to cut the foliage from their gardens; the two types of Laurel blended perfectly with the beautiful flowers, along with foliage brought by Mary.

Lastly, thank you very much to everyone who gave donations for the Easter flowers, which are in memory of their loved ones, also for all the appreciative comments.

Actually, there are more thanks due. After many years, I wish to thank Cornall's Nursery at Higher Walton (ph. 01772 335643) - a family concern from 1933. In my role as Flower Secretary, I have always purchased the church flowers from this local nursery - many of which are home-grown.

In addition to cut flowers, they grow a large variety of bedding plants, as well as selling flowering pot plants

and making hanging baskets and tubs. They also make funeral flower arrangements and will help customers in any way they can.

Thank you very much Brian, Linda, Dorothy, Peter, Wendy and Julie.

# Easy Ways to Help and Support your Church

## **1) Make your collection a standing order directly to the bank;**

We know that things are tough, but the church cannot survive without regular giving, the church needs funds daily even if you only attend once a month. Please consider what you give to church, remember we do not receive any other income than that which we generate from renting the hall and the money people directly give.

## **2) Gift Aid your giving;**

If you Gift Aid your donations, then for every £10 you give the HMRC gives us £2.50 for nothing - it is money you paid in tax returned to the church.

## **3) Join the 100 Club; - ANNUAL SUBSCRIPTIONS NOW DUE**

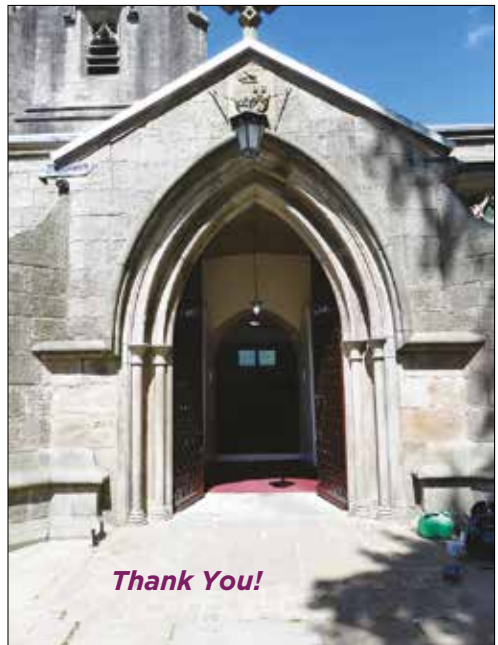

This monthly draw allows you the opportunity to win £50 each month. It costs £12 to join for the year and if we can get up to 200 numbers sold from the current 121, then we will be able to increase the prizes with a monthly second prize.

## **4) Church Magazine;**

As well as encouraging you to buy a magazine, why not buy an extra one and give it to a friend, neighbour, someone who is lonely etc. If you really cannot afford the extra £1 then let Phil know and we will organise something to allow you to pass on to others about our church.

## **5) Volunteer;**

There are always things which need to be done, how can you help? Please approach us and offer a little time, it doesn't need to be weekly but a couple of hours here or there can always be put to good use.
